Physician Regional Event Dinner Series:

The Meaningful Use Paradigm: Connecting Providers, Engaging Patients and Transforming Healthcare

Thursday, December 11, 2014

Global Center for Health Innovation | Cleveland, Ohio

Attendees will review best practices related to successful patient engagement activities, and identify local initiatives, challenges and lessons learned on the path to achieving MU. The program will feature:

- *An overview of Stage 2 Meaningful Use criteria*
- *An in-depth review of best practices for increasing patient engagement criteria*
- *An interactive expert panel discussion and Q&A session*

For more information, please visit: www.himss.org/MUconnect

CENTRAL & SOUTHERN OHIO Chapter

NURSING INFORMATICS INSTITUTE

December 12, 2014 | 8:00 am – 4:30 pm EST

Global Center for Health Innovation | Cleveland, OH

Attendees will be able to build their portfolio of skills around career development and understand their role in implementing information technology to enhance nursing workflow, promote patient safety and yield outcomes that improve patient care. Join subject matter experts to learn about major initiatives and activities impacting the nursing profession today.

Shape the state of healthcare for tomorrow.

- Discuss best practices related to key nursing informatics and Health IT topics
- Identify local initiatives, challenges, lessons learned through an interactive discussion featuring local subject matter experts
- Network and engage with peers
