The CSOHIMSS Fall Conference - "Holy MACRA! It's Interoperate 2016!" has been scheduled for October 28th at the Kingsgate Marriott Conference Center at the University of Cincinnati

This year's CSOHIMSS Fall Conference will be a "Taste of Healthcare Information Technology" with a wide array of topics as well as local and national speakers that represent today's ever changing healthcare landscape. From Revenue Cycle, Project Management, Payment Reform, MACRA, Clinical Interoperability, Information Security and Privacy to Compliance, we have a topic for you!

Speakers and topics include - Keynotes from **Jeff Coughlin** from HIMSS National and **Jason Mortensen** with CISCO Systems on the Hospital of the Future**,** A **MACRA/MIPS** panel discussion, breakout sessions by thought leaders from numerous Central and Southern Ohio Healthcare systems on Clinical Interoperability, Revenue Cycle, Analytics, Project Management, and many other topics.

We hope to see you at this season's CSOHIMSS conference!
